HEARD

HumanUPtions produces bespoke career readiness events and programs to inform and inspire our next-generation workforce. Strategic partnerships with leading global brands, allow students and new graduates opportunities to explore familiar and unfamiliar career paths via storytelling by accomplished leaders and experts. To date we have partnered with 65 universities and 38 global brands, reaching over 9000 students. Our mission is to establish impactful connections to foster mentorships, internships, apprenticeships, and job placements, bridging the divide between untapped potential and abundant opportunities.
